The 2013 Combined Federal Campaign is happening NOW and you can still make a contribution!

iServe iProtect iCreate iTeach iHelp iBuild iShare iGive

The CFC can trace its roots to Executive Order 10927, signed by President John F. Kennedy in 1961, giving formal authority to permit fundraising in the Federal workplace.

The CFC's mission is to promote and support philanthropy through a program that is employee focused, cost-efficient, and effective in providing Federal employees the opportunity to improve the quality of life for all.

See your agency's Key Worker(s) to find out how you can contribute to this year's campaign!

The CFC allows Federal employees to be generous to those in need, both here at home and around the world, and reminds us how fortunate we are to be servants of the American public in our capacity as Federal employees.

WE NEED YOU!!!

Do you have great ideas about how to make our local campaign better? Help plan and run the annual Combined Federal Campaign in our area! Every federal agency in Lincoln and/or Lancaster County is invited to send a representative to the monthly Local Federal Coordinating Committee (LFCC) meetings that plan our annual campaign. The group meets at 8:00 am, the third Tuesday of the month at the United Way offices, 238 S. 13th St., Lincoln. All are welcome! The next meetings will be held on December 17th and January 21st. As we wrap up the 2013 campaign and begin planning for the 2014 campaign, this is the perfect time to get involved!

2013 CFC KICKOFF EVENT HELD AT THE V.A. MEDICAL CENTER

The 2013 Lincoln and Lancaster County Area Combined Federal Campaign kicked off the new campaign on September 19th at the Lincoln Veterans Administration Medical Center. Representatives from many of the charitable organizations participating in CFC attended, as well as Directors and Key Workers from local federal agencies. Key Workers stayed for training by the campaign's Principal Combined Fund Organization (United Way) in how to run an effective CFC campaign in your agency. Key Workers had an opportunity to share ideas and best practices for a successful campaign.

CHARITY AWARENESS FAIRS

Five charity awareness fairs were held at agencies around Lincoln in 2013. These fairs ensure that Federal employees have the opportunity to speak with representatives from non-profits and LFCC members. What a great way to find out how your campaign contribution gives back!

Employees at the Nebraska National Guard visit with non-profit representatives, enjoy bake sale items. In the above photo, Scott Young speaks to employees about the work done by the Food Bank of Lincoln.
