PAYING IT FORWARD THROUGH CFC

This theme highlights the generous spirit of Federal employees to those in need, both here at home and around the world, and at the same time reminds us how fortunate we are to be servants of the American public in our capacity as Federal employees. See your agency's Key Worker(s) to find out how you can get involved in this year's campaign!

2010 CFC KICKOFF EVENT HELD AT THE V.A. MEDICAL CENTER

The 2010 Lincoln and Lancaster County Area Combined Federal Campaign kicked off the new campaign on September 22nd with a breakfast and inspirational speakers at the Lincoln Veterans Administration Medical Center. Representatives from many of the charitable organizations participating in CFC attended, as well as Directors and Key Workers from local federal agencies. Following the breakfast, Key Workers stayed for training by the local federal coordinating committee in how to run an effective CFC campaign in your agency. Key Workers had an opportunity to share ideas and best practices for a successful campaign.
